It's as if he caressed this young man's generous soul with additional layers of love, retelling the story through the eyes of Derek's parents, his best friend, his devoted girlfriend. What a gift for Buck Harris, the teacher who shared what he himself learned, by using these life lessons as a guide for his high school students. Reading Derek's Gift with Tougias' graceful weaving in of all these other viewpoints is, in itself, a gift which all of us must receive.
