In government. The term white paper originated with the British government, and many point to the Churchill White Paper of 1922 as the earliest well-known example under this name. In British government it is usually the less extensive version of the so-called blue book, both terms being derived from the colour of the document's cover.. White papers are a "... tool of participatory democracy ...

[Educational technology - Wikipedia](#)

Mon, 10 Sep 2018 17:09:00 GMT

Given this definition, educational technology is an inclusive term for both the material tools and the theoretical foundations for supporting learning and teaching. Educational technology is not restricted to high technology. Education technology is anything that enhances classroom learning in the utilization of blended, face to face, or online learning.
