In his recent history of China's international relations since the mid-Qing dynasty, Odd Arne Westad observes that "China in World War II is, remarkably, a study that is just coming of age." 1 R. Keith Schoppa's book, *In a Sea of Bitterness: Refugees during the Sino-Japanese War*, is an important contribution toward the creation...

Journeying refugees lived in a "sea of bitterness," of hardships and uncertainty. They also discovered the utter superficiality of China's Western-inspired modernity. In this first major work on wartime displacement in a province, R. Keith Schoppa suggests that the Sino-Japanese War was "a total war" (p.
