[Income inequality in the United States - Wikipedia](#)

Mon, 12 Nov 2018 06:07:00 GMT

Income inequality in the United States has increased significantly since the 1970s after several decades of stability, meaning the share of the nation's income received by higher income households has increased. This trend is evident with income measured both before taxes (market income) as well as after taxes and transfer payments. Income inequality has fluctuated considerably since ...
