Socialism is a range of economic and social systems characterised by social ownership and workers' self-management of the means of production as well as the political theories and movements associated with them. Social ownership can be public, collective or cooperative ownership, or citizen ownership of equity. There are many varieties of socialism and there is no single definition ...

The Corpses would have been RED — all of the “eyewitnesses” lied!. If any holocaust gassing claims were true, vast numbers of bright, cherry RED corpses would have always been present among the victims. Not necessarily all of the corpses would have been red--but certainly large numbers, probably the vast majority, would have been intensely red in appearance from cyanide or carbon ...
