(NOTE: this is the new updated version of the pattern, if you purchased the pattern between March 2009 – October 2011 and do not wish to purchase the updated version click here to find the edits you should make to your pattern.)

[Running With Scissors: Dinosaur Tails](#)

Tue, 10 Jul 2018 08:42:00 GMT

Next you'll stuff your tail with Poly-fil batting. The density of your stuffing does determine how the tail will look. I stuffed this yellow tail tighter than the blue or green tails, and I noticed it stood almost straight out from the boy's back, where leaving the stuffing a little looser makes a more droopy tail.
