Lies My Teacher Told Me: Everything Your American History Textbook Got Wrong is a 1995 book by James W. Loewen, a sociologist. It critically examines twelve popular American high school history textbooks and concludes that the textbook authors propagate false, Eurocentric and mythologized views of American history. In addition to his critique of the dominant historical themes presented in high ...

19th century. Colonial New England encouraged its towns to support free public schools funded by taxation. In the early 19th century Massachusetts took the lead in school reform, with programs designed by Horace Mann that were widely emulated across the North. Teachers were specially trained in normal schools and taught the three Rs (of reading, writing, and arithmetic) and also history and ...
