Spawn is the eggs and sperm released or deposited into water by aquatic animals. As a verb, to spawn refers to the process of releasing the eggs and sperm, and the act of both sexes is called spawning. Most aquatic animals, except for aquatic mammals and reptiles, reproduce through the process of spawning.. Spawn consists of the reproductive cells of many aquatic animals, some of which will ...

The primary tool that the ToK use to manipulate a being into accepting nearly endless reincarnation is the (false) "Light Review." When a person's body dies, they move out into the astral realms and begin to shed most of their previously held identity. If this process were allowed to occur without interruption, the True Light of that being would emerge from within them and they would release ...
