Under the sponsorship of caliph al-Ma'mun (r. 813 – 833), economic support of the House of Wisdom and scholarship in general was greatly increased. Furthermore, Abbasid society itself came to understand and appreciate the value of knowledge, and support also came from merchants and the military. It was easy for scholars and translators to make a living and an academic life was a symbol of ...

Intelligence To be intelligent you first have to know what being Intelligent is. And you also have to know what being ignorant is. Ignorant is just another word for "Not knowing".But not knowing is not always obvious or clearly understood.That's because learning is not fully understood. The more you learn the more you should realize what you didn't know.
